

## **Happy 23 Birthday Hussain!**

On this day of 25 feb a person named hussain was borned.

Today it is his 23 Birthday which means that he spent almost 2000 week , 276 month, 8395 days, 2,01,480 Hour damn, 1,20,90,000 minutes and forget about second that are so much.

What i am trying to say that Allah give you this much time of the life and Insha Allah many more monthes and year are coming into your life and I really wish that the coming time will be a good time. I wish that on your next birthday you have a fiance or maybe a wife in your life and a specific wife you want. I wish that you may have the great time of your life and if the struggles come, you will be strong to face them. I wish you have a good career in future and you will become rich both in world and the eternal world.

Finally, Happy birthday again. I wish this year will be the good year for you in terms of your marriage life :).Have the time of your life enjoy it well. Explore the world. Explore everything. Enjoy and work hard well. Everything will be finally yours.

Insha Allah

chal meri enlgish khtam hogi hun kal kuch khela dai janam din mubark hoo 23 ka hogya hy bus ab 2 sal my shadi krva ly . Allah lambi omar dy tujhy aur teri wife dono kooooo. akely lmba ji kr kia krna tu ny

Peace out!!!
